

How to Order - Detailed Step by Step Instructions

The ordering process starts with you deciding what you want to order and locating the item on one of our product pages. For these instructions we will use a pair of round light brown 24" dress shoe laces. These laces can be found on our "Fashion Round Dress Shoelace" page. Once there, scroll down until you find the light brown laces as you see here.

Then enter the quantity of what you want to order in the box beside "Qty:." For example, if you want "1" 2 Pair Pack with Regular Tips, then enter a 1 in the "Qty" box.
